LANDAFF FOREST FIRE REPORT

Report of the Forest Fire Warden and Dist. Chief

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark or flame is a potential fire.

WE MUST ALL BE CAREFUL:

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn rubbish or brush;
 - a. Always get a permit to burn from the warden.
 - b. Start your fire late in the day after 5:00 PM.
 - c. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.

REPORT OF SUPERINTENDENT

To the School Board and Citizens of Landaff School District.

It is with pleasure that I submit my report to you as Superintendent of Schools.

During the past year (1964-1965) there were sixteen pupils enrolled in Blue School. The average membership was 13.3. Eleven pupils, grades 6 through 8, and thirteen pupils, grades 9 through 12, attended Lisbon Public School.

This school year there are thirteen pupils attending Blue School, Grades 1 through 5, at the present time. Eight pupils, grades 6 through 8, and twelve pupils, grades 9 through 12, are attending Lisbon Public School. One tuition pupil is attending Grade 3 in Lisbon with parents assuming responsibility of tuition.

Supervisory Union offices in Lisbon and Whitefield have been closed and incorporated with the Littleton office in the theater building in Littleton.

As of July 1, 1966, the final phase of joining the Lisbon, Littleton and Whitefield Union offices will be completed with Mr. Grass as superintendent and Mr. Harvey F. Harkness, Jr. as assistant. It is planned that a business manager be employed to handle the work in this area, thereby permitting the superintendent and assistant to devote more time to administration and supervision.

One year is too short a time to get to know all of the people in a district, but I have enjoyed working in Landaff School District this year and wish to express to you my appreciation for your cooperation and help.

Respectfully submitted,
WILLIAM H. GRASS, JR.
Superintendent of Schools

PROGRAM OF THE WHITE MOUNTAINS REGION

ASSOCIATION 1965 (28th year)

Printed and distributed over 180,000 folders and booklets promoting the White Mountains Region.

Received 6,987 inquiries in the office which were answered promptly with a kit of folders or by personal letters.

Sent over 22,471 letters and 38,317 individual folders by mail. The balance were distributed by freight or by automobile.

Wrote 25 news releases for use in the local media and four news letters to our members. Wrote one article for N. H. Profiles on "Industrial Conway" and helped prepare other articles for use outside of the region.

Supported the 4-H awards program to encourage the role of agriculture and awarded Mrs. George Clement of Lisbon the "Outstanding Farm Wife of the year."

Have sent a weekly bulletin of lodging inquiries to member innkeepers who subscribed for them and a monthly real estate bulletin to the member real estate dealers.

Sent out a packet of ski area and lodging folders in response to inquiries on skiing.

Presently we are revising our White Mountains Map which lists nearly 200 points of interest in our region, which was designed to keep the tourists with us a little longer. Information booth people tell us it is very popular with tourists. The new edition will be printed this winter.

Worked in cooperation and attended meetings with the White Mountains Recreation Association, Coos County Rural Areas Development Committee, Coos County Planning Committee, Carroll County Rural Areas Development Committee, N. H. Ski Areas Operators Association, White Mountains Region Industrial Council, the Coos, Carroll and Grafton Counties Community Action Program. The association with these many groups has been mutually helpful in developing new projects and programs in the north country.
